e-FILING INTEGRATION

EA-Link System is the pioneer of e-Filing Integration solutions in Malaysia. Our e-Filing products provide high levels of integration with the LHDN e-Filing system for both Taxpayer and Tax Agent Modules.

We are able to provide solutions that cater for:

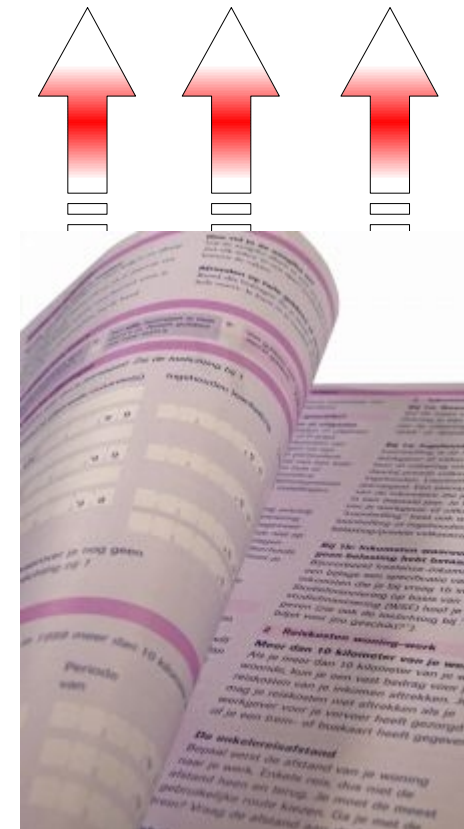

- Batch filing (involving the filing of multiple returns in a single batch)
- Automated Administration and Management of the Tax Agent Modules
- Off-line Error checking
- Staff Login

Our XML interface makes it possible to provide e-filing support from third party applications.
